

The Green Room Protocol

A fictional terminal companion for the exhibition. It is intentionally non-authenticating: do not submit credentials, payment details, or confidential information.

01	Non-authenticating terminal experience
02	Inert interface states
03	Fabricated archive identifiers
04	No client records, accounts or balances

FICTION NOTICE - All names, packages, descriptions and identifiers in this PDF are invented for an art project. Nothing in this document offers or provides financial, legal, tax, payment, investment or client-account services.
